Subject: Report of 29.10.2024 on 'Special Campaign 4.0' of the 'Swachh Bharat Abhiyan' by ICAR-IWM, Bhubaneswar - reg

A speech competition on the topic "Ten years of Swachh Bharat Abhiyan: Impact on the Society and Environment" was organized among the staff and scholars of the Institute on 29th October, 2024. The winners will be awarded during the valedictory function.

In the afternoon, the staff and scholars participated in a cleanliness drive in the custard apple orchard near the residential quarters. They enthusiastically cut the weeds and bushes using brush cutter, removed dried branches from the orchard trees and pruned the plants to enable rejuvenation for better fruiting. They collected the garbage for disposal into the compost pit. The 'Before and After' photographs of the site and some of the activity photographs of 29.10.2024 are presented below.
